Subject: RE: BDCP draft methods for preliminary jd and functional assessment

Also, since Erin is out for a while now, I will be back to being your point person for EPA on this effort. I can get the concurrence letter to you after you finish with your revisions. I have the addressee from your message to Erin. I recall you saying you had some recommendations for a cc: list. If you could provide those names and addresses, that would be terrific.

Cheers,
Paul
